

Disclaimer

The content and products offered by **Mikiya Skin Essentials** are provided for **general informational and educational purposes only**. Nothing on this website should be interpreted as medical, dermatological, or professional advice. Our products are created with carefully selected, natural, and botanical ingredients; however, everyone's skin and body chemistry are unique, and **individual results may vary**.

Medical & Professional Guidance

- Our products are **not intended to diagnose, treat, cure, or prevent any medical condition**.
- If you have existing skin conditions, are under medical care, are pregnant, or nursing, please consult with a qualified healthcare professional or dermatologist before using our products.
- Statements about ingredient benefits are based on traditional uses, general research, and customer experiences, and should not be taken as guaranteed outcomes.

Allergies & Skin Sensitivities

- Customers are strongly encouraged to **read all ingredient lists** before purchase and application.
- We recommend performing a **patch test** on a small area of skin prior to full use.
- Mikiya Skin Essentials is **not responsible for adverse reactions** caused by allergies, sensitivities, or misuse. Discontinue use immediately if irritation occurs.

Product Use & Limitations

- All products are **for external use only**.
- They are **not edible**, should not be consumed internally, and must not be placed in diffusers or inhaled at full concentration unless otherwise specified.
- Avoid direct contact with eyes and mucous membranes. If contact occurs, rinse thoroughly with water.

Results & Expectations

- Natural skincare can take time, and effectiveness varies by skin type, environment, and overall health.
- We make no promises of specific results, as outcomes differ from person to person.

Legal & Liability Notice

- By purchasing and using our products, you agree to use them responsibly and as directed.
- Mikiya Skin Essentials, its owners, and affiliates are not liable for any damages, injuries, or reactions that may occur through use or misuse of our products.
